

## The Girls Guild Secret Alphabet

To write secret messages to other Girls Guild members use the Girls Guild secret alphabet. Each symbol stands for the letter below it:

⊠	⊡	⊢	⊣	⊤	⊥	⊦
A	B	C	D	E	F	G

⊨	⊩	⊪	⊫	⊬	⊭	⊮
H	I	J	K	L	M	N

⊯	⊰	⊱	⊲	⊳	⊴	⊵
O	P	Q	R	S	T	U

<	E	X	<	N
V	W	X	Y	Z

The secret alphabet is made of the letters of the regular alphabet

drawn square and turned on their sides so that they look like mysterious symbols. For example, to write

the letter B, square the B off like this . Then, turn the  on its side like this 

Since the letter A and letter R look the same when they get squared and turned, we put a dot inside the A to tell it apart from the R. Thus A looks like this  and R looks like this . This happens also with O and D. Thus O looks like this  and D looks like this . Now, here's a secret Girls Guild message for you to decode . . .
